- b) films.
- c) indoor sporting events. (Where the audience exceeds 1000 people)

Licences / Certificates may be issued subject to any terms, conditions or restrictions the Council feels are appropriate to address any or all of the four licensing objectives.

The Council has previously agreed Bromley's Statement of Licensing Policy for the Period 2016 – 2021.

The Licensing sub Committee must consider the Statement of Licensing Policy and any Special Policy of Cumulative Impact currently in force when making any decisions in respect of these applications.

Description of the Premises

The premises is a Golf Club which currently benefits from the existence of a Club Premises Certificate shown in appendix 3

Licensing History

The Club Certificate was issued in 2006 and has remained essentially unchanged to date. The premises currently make use of Temporary Events Notices (Tens) for a number of extensions and privates hire activities. To date in 2017 Two Tens have been applied for.

Details of the Application

This application is for a new premise licence to either replace or to run concurrently (unknown at this time) with the existing club certificate. The new premises licence is for longer hours than currently allowed under the existing certificate

A copy of the full application is set out appendix 1

Representations

During the public consultation period the Council received 12 representations against the application and 0 in support. Copies of these are contained in appendix 2

4. IMPACT ON VULNERABLE ADULTS AND CHILDREN

Licensing regimes provide for additional control's through specific permissions to undertake activities. Both the Licensing Act 2003 and Gambling Act 2005 contain licensing objectives which seek to protect particular vulnerable groups. In the case of the Licensing Act 2003 it the protection of children from harm whereas the licensing objectives under the Gambling Act 2005 are wider and seek to protect children and vulnerable adults from being harmed or exploited.

Businesses and the Council are required to promote these objectives in the way they operate or make decisions.

Details of applications under both Acts are referred to the appropriate safeguarding teams for comment.

5. POLICY IMPLICATIONS

Both the Licensing Act 2003 and the Gambling Act 2005 require the Council to prepare, consult on and publish statements of their licensing policy. These must be reviewed at least every 5 years under the Licensing Act and 3 years under the Gambling Act.

Members should make decisions in accordance with these polices but are free to depart from them with good reason.

The current polices are -

- Statement of Licensing Policy 2016 – 2021

http://www.bromley.gov.uk/downloads/file/226/statement_of_licensing_policy_2016-2021

- Statement of Gambling Policy 2016-2019

http://www.bromley.gov.uk/downloads/file/325/gambling_policy

6. FINANCIAL & LEGAL IMPLICATIONS

There are rights of appeal to the Magistrates Court against the decision of the subcommittee under both the Licensing and Gambling Acts. If an appeal were to be lodged there are costs associated with defending it. These are difficult to quantify and the Courts can award costs. In the event of a successful appeal we could pay the costs of the appellant as well as our own. Equally if we successfully defended an appeal it is open to the Court to order our costs to be paid by the appellant.

Parties involved in a hearing before a subcommittee can also seek a Judicial Review if we failed to administer the hearing in accordance with proper procedures.

The Council has adopted a procedure for the conduct of hearings.

Dear Paul,

Thanks very much for letting me know. Having looked into it further, I'm sceptical about the application too. Selling alcohol until 1:30am doesn't sound particularly golf clubby and seems like they want to create a more general events space. Presumably the New Year's Eve issue could be resolved through TENS?

I'd like to object to the application on the basis of the finish time being too late for a very residential area. It would be good to know more about their plans and why they want this license.

Paul,

Can we please call this matter into a licensing sub committee.

The four principles of licensing policy are concerned include Public Nuisance, Crime and Disorder, both I would suggest are likely to be adversely impacted by such a late license. Public Safety may indeed also be impacted.

As Cllr Rutherford suggests, TEN could be used in many cases, this license change suggests the use of the clubhouse for regular general events.

Hi Paul

The PHNT team would like to object to this application.

This is due to concerns that there has been no consideration given to noise control.

I am in contact with the Golf Club; however no decision has been made by them at present at my suggestions.

I will copy licensing in to the emails.

Kind Regards

Comments: 9:43 AM on 11 Oct 2017 I am a close neighbour. There has already been a significant increase in the number of private parties held at the golf club. The building is not soundproofed and the music and noise levels have increased, presumably through open windows. We are concerned that the application will give rise to: (i) an increase in the volume of noise affecting neighbours beyond current licensing hours; (ii) by giving guests longer access to alcohol, increase levels of anti-social behaviour well into the early hours of the morning; (iii), significant increases in the number of cars and taxis accessing and leaving the site, again well into the early hours.

If the application is permitted, there will be detriment to the local environment and have a negative impact on the quality of life of local residents.

Comments: 7:58 PM on 10 Oct 2017 This is a quiet residential area and the revised licence proposal will have a severe negative impact on neighbours within Ravensbourne Avenue.

We are located by the golf club car park entrance and exit; used by taxi's and pick ups. We know from experience that most visitors park in Ravensbourne Avenue for access, and the noise at night when people leave the venue is disruptive and unacceptable.

The rear of our property backs on to the clubhouse, the kitchen and entertainment bar. Each of these areas have fully opening windows which raises the noise levels through to our property. This year we have seen a significant increase in the number of private parties and an increase in the music volume through open windows.

There appears to be no noise management control in place and this has impacted on our ability to enjoy quiet occupation of our home.

Any further extension to the licensing hours will further impact adversely on ourselves and in our opinion should not be permitted.

Regards.

Hello

I'd like to object to this license application on the grounds of existing noise disturbances being bad enough - do not want to see this becoming any more regular than it is currently as is already an issue when there are late night events on at the club. It's really unpleasant being woken up, the noise even wakes up my baby in the middle of the night which doesn't seem very fair.

Existing issues with noise from music/DJ that wake us up at night and late night disturbances outside of our house, i.e. people sitting on the front wall talking loudly/kissing and groups of people being loud out on the street waiting for taxis, shouting across the road at each other etc. This only happens on nights after events at the golf club.

I've not got an issue with general noise until say 11pm but when it's 2/3am over the summer it was really horrible and caused a lot of sleepless nights so I would hate this to become a regular occurrence, I think I'd have to consider moving but equally doesn't seem fair on the next person.

If possible I'd rather keep my details private so as not to become a target when I live so close to the club - but please let me know if that is not an option as if needs be I'll have to if my objection would make a difference.

Please can you confirm receipt of my email and let me know if I need to provide any further info?

Many thanks,

Double, Paul

Comments: 5:25 PM on 08 Oct 2017 Shortlands Golf Club lies at the end of my back garden and as such, I am very close to any events that take place there.

Although the Club currently hires out its facilities from time to time, and these can be noisy, they tend to be intermittent and therefore can be tolerated.

However, I am very disturbed to see that the Club wishes to extend its licensing hours until 11 pm Mons to Thurs and then until 1am on Fridays and Saturdays and until 12.30 on Sundays. If the licence were granted, this

would be tantamount to living opposite a pub which plays live music, potentially, every night of the week.

When the Club has events, the people who go along tend to be quite noisy and the music can definitely be heard from inside our houses. There are families with children who I'm sure would be very disturbed by this noise.

I understand that the Club wishes to make money but extending its licensing hours to this extent every day of the week shows no respect for its immediate neighbours. Despite their promise that notices would be put in the car park asking people to be quiet, this certainly doesn't happen at the moment.

I would urge the Council to take these comments into account when considering this application. I believe it shows no consideration whatsoever to the people who live adjacent to the Club and I see no reason why it should be licensed until 1 pm at the weekends, disturbing the amenities and peace of the residents.

Comments: 6:35 PM on 10 Oct 2017 Dear Sir

I object to the extension of operating hours for the golf club at the dates and times submitted on the application. On previous occasions over the past year or so when social events have been held at the golf club , I have noticed the music played is not contained to the club house, and is a disturbance to me and my neighbours . Upon leaving the golf club house there is further disturbance of people talking loudly and shouting, car doors slamming , and the general anti social noise associated with people leaving a party after drinking. So I certainly do not want an increase of this unwelcome disturbance which would be generated by extending the operating hours , especially until 1.30 and later , as outlined in the application. This is a quiet residential area and not one conducive to late night revelling .

Comments: 8:32 AM on 10 Oct 2017 The Ravensbourne Valley Preservation Society (RVPS) objects to this extension of licensing hours on behalf of local residents in Ravensbourne Avenue and Meadow Road. There has been insufficient notice for consultation considering that residents were not aware of the notice until 7 October. Shortlands Golf Club is located in a pleasant and quiet residential area, with no similar places of entertainment in the vicinity. The application is very scant in relation to details provided in Sections 10, 11, 12 and 13 for the types of events or activities planned which needs to be clarified. There is also very little detail in what steps the applicant will take to promote the licensing objectives, especially on steps for public safety and prevention of public nuisance. There has already been a significant impact on neighbours within Ravensbourne Avenue with an increase in the number of private parties held at the golf club with a corresponding increased level in the volume of music through open windows. We are concerned that the application will give rise to: (i) an increase in the volume of noise affecting neighbours; (ii) guests will have longer time to drink alcohol leading to increased levels of anti-social behaviour (iii), significant increases in traffic movements of cars and taxis accessing and leaving the site which will all occur well into the early hours of the morning in a quiet residential street. Each of these factors will have a negative impact on the quality of life of the local residents and will impact to the detriment of the local area.

We believe that the application should be rejected. If further consideration is to be given than strong controls should be in place to minimise the impact to residents.

Comments: 10:00 AM on 09 Oct 2017 The Shortlands Residents' Association (SRA) objects to this extension of licensing hours on behalf of local residents in Ravensbourne Avenue and others who may be affected in adjacent streets such as Meadow Road. We do not feel that the notice period for the consultation is sufficient given that the notice was not drawn to the attention of residents or seen until 7 October.

Shortlands Golf Club is located in a pleasant and quiet residential area, with no similar places of entertainment in the vicinity. The application makes no reference to the impact on neighbours within Ravensbourne Avenue. There has already been a significant increase in the number of private parties held at the golf club and an increase in the music volume through open windows. We are concerned that the application will give rise to: (i) an increase in the volume of noise affecting neighbours beyond current licensing hours; (ii) by giving guests longer access to alcohol, increase levels of anti-social behaviour well into the early hours of the morning; (iii), significant increases in the number of cars and taxis accessing and leaving the site again well into the early hours.

Each of these factors will act to the detriment of the local environment and have a negative impact on the quality of life of local residents.

We would also like to point out that, in section 13 of the application, the applicant has not specified what other events and activities are planned to be held at the golf club. This needs to be clarified before further

consideration in given to the case.
We believe that the application should be rejected. If it is
to be considered further, robust controls should be in
place to minimise the impact.

Dear Mr Phillips,

We would like to object to the premises licence notice for extended hours at Shortlands Golf Club. We are very disappointed, as neighbours of the Club, that we only found out about the application by seeing the licence notice in a bush outside Shortlands Golf Club on 7 October.

We feel this is a very limited period to object and feel that we should have been notified in advance. We wish to raise our objections on the following grounds:

1. This is a quiet residential area, not a night club district.
2. The request makes no reference to the impact on neighbours within Ravensbourne Avenue. We are located by the golf club car park entrance and exit; used by taxi's and pick ups. We know from experience that most visitors park in Ravensbourne Avenue for access, and the noise at night when people leave the venue is disruptive and unacceptable.
3. The rear of our property backs on to the clubhouse, the kitchen and entertainment bar. Each of these areas have fully opening windows which raises the noise levels through to our property.

This year we have seen a significant increase in the number of private parties and an increase in the music volume through open windows. There appears to be no noise management control in place. Please advise?

Should this licence be granted through to 01:30 (and notably 03:30 for New Years Eve) then we feel the disruptions to local residents from people leaving drunk, urinating along the road, rubbish and general lack of consideration will be a significant public nuisance. This is already a common occurrence.

If you accept this license from the golf course then we would request constraints be placed on the approval to protect the neighbours within this quiet family area:

- Decibel power management control system installed
- Agreement that no windows can be opened on all aspects during these hours
- All walls are internally sound-proofed, with equally efficient windows, ahead of the first event taking place.

We are in contact with our neighbours who all have the same concerns. We are supported by neighbours from no xxx

Please can you allow us time to meet and discuss our objections face to face with you ahead of any approval decision? We will happily coordinate the residents to attend a meeting?

Thanks in advance.

xxx

WE Could only send this part below so apologies for the longer element but we felt this needed more discussion:

Double, Paul

Licensing Authority,

Bromley, Kent D11 2JL.

Dear Sirs,

Licensing Application: Shortlands Golf Course: 17/00634/LAPRE

We have been informed by neighbours in Ravensbourne Avenue, Shortlands, that there is an Application for the above for extension of Shortlands Golf Club's Licensing Hours, although the Golf Club have not made anyone aware of this in Ravensbourne Avenue – the only Notice we gather, was a sheet put on a hedge by the Golf Course.

This is to register strong objections to the Shortlands Golf Club's proposals for extension of Licensing hours. This is a residential road and to have banging of car doors and people talking loudly in the car park and road is quite unacceptable. The Club House is very near the bottom of our garden and obviously there would be noise from there when the windows were open as well, which obviously would be the case as the evening progressed.

There seem to be more and more private parties in the Golf Club from which noise emerges. Therefore, to consider extending the present Licensing hours is totally unacceptable.

Yours faithfully,
