Assistant Director (Planning)

On behalf of the London Borough of Bromley Council

YOUR ATTENTION IS DRAWN TO THE NOTES OVERLEAF

The Local Planning Authority is actively seeking to reduce the need to impose conditions. Any pre-commencement conditions imposed on this planning permission are necessary to ensure that the detail of the development to which they relate is carried out in a satisfactory manner and the submission of the information in relation to this is required before commencement as it would not be possible or desirable for this to happen at a later stage in relation to the specific reasons for imposing each condition.

To assist applicants the Local Planning Authority has produced policies and written guidance, all of which is available on the Council's website at www.bromley.gov.uk/planning. Through the provision of a pre-application advice service the Local Planning Authority encourages early engagement to resolve problems that can occur in relation to dealing with a planning application by providing clear guidance as to how the aims of the development plan can be achieved in a sustainable and appropriate manner in accordance with paragraphs 188 - 190 of the National Planning Policy Framework 2012.

Please note that your development may be liable for Community Infrastructure Levy (CIL). For more information please visit www.bromley.gov.uk/CIL

Approvals with or without conditions, or refusals of applications for planning permission under the Town and Country Planning Act 1990 and the Town and Country Planning (General Development Procedure) Order 2015 (as amended) and applications for Listed Building and Conservation Area Consent under the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

If you disagree with the decision of the Local Planning Authority (LPA) to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, you may appeal to The Planning Inspectorate (PINS). This is an independent Executive Agency which provides fair and impartial decisions on appeals against LPA decisions on planning consents in accordance with Section 78 of the Town and Country Planning Act 1990 and for Listed Building and Conservation Area consents in accordance with Section 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Appeals must be made within 12 weeks of the Decision Notice date for householder planning applications and within 6 months for any other application. They must be submitted on a form, which is obtainable from The Planning Inspectorate Temple Quay House, 2 The Square, Temple Quay Bristol BS1 6PN or online from <https://www.gov.uk/appeal-planning-decision>. If an enforcement notice is or has been served relating to the same or substantially the same development as in your application, then the time limit to appeal will expire 28 days after the enforcement notice is served – except that you will have a minimum of 28 days to appeal after the right of appeal begins and the time limit will expire no later than it would if there were no enforcement notice.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority (PlanningAppeals@bromley.gov.uk) and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. See <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries> for further details.

The Secretary of State (including PINS) is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the Statutory requirements, to the provisions of the development order, and to any directions given under the order.

If planning permission, listed building or conservation area consent to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State (including PINS) on appeal, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the London Borough of Bromley a purchase notice requiring that the Council purchase his interest in the land in accordance with the provisions of Part VI Chapter 1 of the Town and Country Planning Act 1990 or in accordance with the provisions of Section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

In certain circumstances, a claim may be made against the local planning authority for compensation, where permission or consent is refused, or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. These circumstances in which compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990 and in Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Applications for Express Consent under the Town and Country Planning Act 1990 and the Town and Country Planning (Control of Advertisements) Regulations 2007

If you disagree with the decision of the local planning authority to refuse consent for the display of an advertisement or to grant consent subject to conditions, you may by notice served within 8 weeks of the receipt of this notice, or such longer period as the Secretary of State may agree, appeal to the Planning Inspectorate in accordance with the provision of Part 3 Section 17 of The Town and Country Planning (Control of Advertisements) Regulations 2007. Forms are available from The Planning Inspectorate Temple Quay House, 2 The Square, Temple Quay Bristol BS1 6PN or online from <https://www.gov.uk/appeal-planning-decision>.

Town and Country Planning Act 1990 (as amended). A Certificate of Lawfulness for an existing proposed use or development

If you are aggrieved by a refusal to grant, a Certificate of Lawfulness, you may appeal to the Planning Inspectorate under Section 195 and 196 of the Town and Country Planning Act 1990 (as amended).

AN IMPORTANT FOOTNOTE

Permission or approval referred to overleaf is confined to permission under the Town and Country Planning Act 1990, Planning (Listed Buildings and Conservation Areas) Act 1990, the Town and Country Planning General Development Order 2015 as amended, and the Town and Country Planning (Control of Advertisements) Regulations 2007, and does not obviate the necessity of compliance with any other enactment, by law, or other provision whatsoever or of obtaining from the appropriate authority or authorities any permission, Building Regulation, consent, approval or authorisation which may be required.

You are reminded that the Borough Council's permission does not modify or affect any personal or restrictive covenants, easement, etc., applying to or affecting either this or any other land or the rights of any persons (including the London Borough of Bromley Council) entitled to the benefits thereof or holding an interest in the property concerned in this development or in any adjoining property.

ACCESS FOR PEOPLE WITH DISABILITIES

Your attention is drawn to British Standard and Government advice concerning means of access for people with a disability. This advice applies to educational, recreational and retail premises as well as office, factories and business premises.

RESPONSIBLE DISPOSAL OF CONSTRUCTION AND LANDSCAPING WASTE TO PREVENT FLY-TIPPING

When builders or landscape gardeners arrange for third parties to remove any waste from your property, it is their responsibility to use registered waste carriers and obtain waste transfer notes. If however you arrange for any construction or landscaping waste to be removed from your property yourself you could be prosecuted and fined up to £5,000 if you do not use someone who is a registered waste carrier. Find and check registered waste carriers online at www.bromley.gov.uk/wastecarriers or call the Environment Agency hotline on 03708 506506. Always obtain a waste transfer note as proof of the transfer of the waste to an authorised person.
