

## REDEVELOPMENTS WITHIN BROMLEY

Meeting at Christ Church Hall, Highland Road

On Tuesday, 6th December, 1988 at 7.30 p.m.

This is one of a series of meetings held this autumn for residents associations in Bromley which include a slide show and address by the Chief Architect/Planner of Bromley Mr. Colin Davis and Councillor Barkway. This is intended to show how Bromley is trying to improve our area, but the main thrust of the meeting is to explain how a high percentage of refused planning applications are reversed on appeal to the DOE. This is because the current planning guidelines strongly favour the rights of the developer.

You must attend to find out how to reverse this unfortunate situation and return planning control to the local authorities
