## CHANNEL RAIL LINK

### QUESTIONNAIRE

This questionnaire is issued to obtain information relating to the impact of the Channel Tunnel Rail Link upon you and your property.

To maximise the value of representations to British Rail we need hard facts. This questionnaire is **IMPORTANT** towards gathering those facts.

Please complete it carefully and complete it **NOW**. Try not to overstate (or understate) your replies. There is space at the end for comments.

The questionnaire will be collected during the next few days and any difficulties in completing it can be discussed with the collector. If you think that you may be out when the collector calls, leave the form with a neighbour. If the form has not been collected by the 27th February please post it to The Bromley Times, 21 Church Road, Bromley, marking the envelope "Rail Link". The Bromley Times have kindly agreed to collect replies on behalf of the Federation.

The information which you provide will be made available to other organisations and persons in connection with the consideration of matters relating to the Channel Tunnel Rail Link. If, however, you do not wish to make any of your information available, please tick this box.
