Dear

Newsletter 3/95

Enclosed with this Newsletter is a questionnaire on Beckenham Place Park, which I have asked be returned to Road Reps by the end of June.

It would be helpful if the Newsletters were delivered fairly quickly. The end of June was set so that members didn't have them for so long that they lost or forgot them, but also so that you could bring them with you to our next Members Meeting.

If you are unable to attend that meeting, I would be grateful if you could please put the responses from your road(s) through my letter box, if possible before the meeting. Many thanks.

BECKENHAM PLACE PARK - QUESTIONNAIRE - June 1995

TO ALL MEMBERS:

- This questionnaire is to help your representative on the Beckenham Place Park Working Party to more effectively represent your views on the present and future usage of the park and what changes (if any), you may wish to see, or be prepared to accept.
 - Please answer as many questions as are relevant to your household.
 - Some questions may require several answers. Please feel free to expand your answer as necessary.
 - Some questions give examples which are intended as an aide memoire - they are not exhaustive. Please answer in accordance with your own views and park usage.
 - If there is insufficient room on the form or there are points you wish to make that are not covered, please use a separate piece of paper.
 - Although we ask for your name and address, if you do not wish to complete this, please at least, give the name of your street.
