## EDITORIAL

This Newsletter is to advise everyone about the forthcoming Annual General Meeting.

The formal Notice and Agenda are overleaf.

Please make a note of the date and venue in your diaries and make every effort to come along. Non-members and potential members are very welcome to attend, but of course cannot vote.

### **ANNUAL GENERAL MEETING**

**8.0 p.m. Thursday 9th March 2000**

**Bromley Court Hotel, Wellington Suite**

We try to alternate our visiting speakers between civic matters and general interest. Last year we had Pat Ellender from Bromley's Environmental Services Division talking about the coming revolution in waste collection and disposal. That was when Bromley's future plans were still at an embryo stage. Readers of the last Newsletter will remember that since then, Bromley has produced a Waste Recycling Plan which reflects all that Pat Ellender said. So we were given an insight into current thinking well before anything was approved by the Environmental Services Committee.

---

This year it is the turn of a general interest subject and instead of looking forwards, it seemed a good idea to look back in time. In fact quite a long way back in time and we are fortunate that Brian Philp (a very busy man) has agreed to come and give us an illustrated talk on "Archaeology in Bromley and Keston".

Brian Philp is the leader of the Kent Archaeological Rescue Unit and has been instrumental in co-ordinating and directing the activities at many archaeological sites in and around Kent. Most notably the Roman Villas at Crofton and Keston, the Roman Painted House at Dover and the area of archaeological significance around Holwood House. Plus countless other sites.

His talk will be weighted towards the Borough of Bromley, but doubtless other areas will get a mention, especially if asked.

### Apologies

In the last Newsletter we ran an item about Neighbourhood Watch. In that article those roads which did not appear to have a Neighbourhood Watch Scheme were listed followed by encouraging noises to start one. That list included Crab Hill and Downs Hill. Later we learnt that both Crab Hill and Downs Hill have active Schemes, although somehow they were not shown on the central register which we consulted. Our apologies. If Calmont, Coniston, Farnaby, Madeira, Ravensbourne, Spencer or Warren have active schemes, would someone please let us know and we can advise about becoming registered.
